

**MEDIA RELEASE: TUESDAY, 16 APRIL, 2019**

**\$8.3 million Capital Works Program proposed for draft budget**

A continued focus on strong investment in infrastructure is planned for Strathbogie Shire Council's 2019/20 draft budget, with a proposed \$8.3 million Capital Works Program.

The draft, which was released for public exhibition following the recent Ordinary Council Meeting, proposes that Council comes under the state-imposed rate cap this financial year.

Strathbogie Shire Mayor Amanda McClaren said Council is proposing a 2.25 percent increase in the average rate for 2019/20.

"This increase is below the State Government cap of 2.5 percent under the 'Fair Go Rates' legislation," Mayor McClaren explained.

"This increase allows Council to continue to deliver existing service levels, funding of a number of significant new initiatives and the ongoing allocation of sufficient funds to continue the strategic renewal of infrastructure across the shire."

The draft budget also proposes to continue to levy a municipal charge, but to reduce the charge from \$266 to \$133 and Council has also proposed to alter the farm rate differential from 82.5 percent of the residential rate to 80 percent.

Waste charges will increase by 4.1 percent, with Council incurring additional costs due to challenges in relation to disposal of recycling materials.

The ongoing increase in waste charges is associated with the current challenges being faced by the recycling industry, primarily associated with China's decision to restrict the import of recyclable materials.

Consideration will also be given to implement a rebate for properties that are committed to providing biodiversity benefits to the wider community through the Trust for Nature Program.

Some of the key capital works projects currently proposed in the draft budget include:

- ✓ Roads resealing, re sheeting and rehabilitation- \$2.5 million
- ✓ Upgrade of zero class roads- \$400,000
- ✓ Bridge upgrades and replacements- \$450,000
- ✓ Pedestrian Bridges- \$250,000
- ✓ Upgrades to pools- \$382,000
- ✓ Footpaths- \$247,000
- ✓ Parks and Open Spaces- \$1.3 million
- ✓ Nagambie Recreation Reserve netball court- \$150,000 (external funding required)
- ✓ Commence planning and construction of toilets at Violet Town Lions Park, Graytown and Jubilee Park in Avenel

Mayor McClaren said Council encourages the community to take a look through the budget, as well as the draft 2019 review of the Council Plan and the Strategic Resource Plan 2019/20 to 2023/24, and provide their feedback.

“You can access these documents by visiting the Budget and Council Plan button on the homepage of our website [www.strathbogje.vic.gov.au](http://www.strathbogje.vic.gov.au), or drop in to Council Offices to take a look through,” Cr McClaren said.

Submissions to the draft budget and draft 2019 review of the Council Plan need to be provided to Council in writing, by either emailing [info@strathbogje.vic.gov.au](mailto:info@strathbogje.vic.gov.au) or handing in a written letter to Customer Service before 5pm Tuesday 21 May 2019.

Those who make a submission will have the opportunity to address their submission at a Special Council Meeting on Tuesday 11<sup>th</sup> June at 5pm at Euroa Council Chambers.

A final budget will be adopted at a Special Council Meeting on Tuesday 25<sup>th</sup> June 2019 at 5pm at Euroa Council Chambers.
