## **GOFISH NAGAMBIE: FOR BEGINNERS, EXPERTS AND EVERYONE IN BETWEEN**

GoFish Nagambie is Australia's richest and largest freshwater fishing tournament and outdoor lifestyle festival. In its inaugural year, the festival will bring Australia's favourite outdoor activity, fishing, to the forefront.

The uniquely Australian program of activities runs over the ANZAC Day weekend from 25 – 28 April 2019, at the Nagambie Lakes Regatta Centre on the banks of the iconic Goulburn River and Nagambie Lakes, an undiscovered fishing gem.

The highlight of the family-friendly program is the GoFish Nagambie fishing tournament boasting a guaranteed and whopping \$500,000 in cash and prizes.

Anglers can choose between boat, bank and kayak and prizes are awarded across each age category and targeted species.

Organisers are excited to see anglers come from far and wide to compete in this competition and put their skills to the test to try and catch the largest fish and take out the massive cash prize.

GoFish Nagambie ambassador and freshwater fishing young gun Rhys Creed is excited about the event because of its attraction to the broader community.

"It's set to be the biggest fishing tournament in the country, in one of the best cod fishing locations in Australia – it's the people's fishing competition," he said.

The nature of the event and competition means anyone can get out on the water and wet a line.

"Bringing anglers of all abilities to one place to have a good time, learn more about fishing and for them to see what Nagambie has to offer is a huge opportunity for both the local community and the fishing industry".

"I'm excited to see all the children out there come and have a great time at this event and kickstart a new passion", Creed said.

Rhys said he is "most looking forward to meeting keen anglers and to share some of my knowledge to help them catch more fish. I love seeing people catch a PB milestone fish or maybe catching their first cod on a lure or their first cod at all."

Furthermore, it's such a great opportunity to talk to anglers, especially the younger generation, and teach them the importance of catch and release.

With the tournament area spanning over 30 kilometres of pristine waterways and the river specially stocked with Murray Cod and Golden Perch, fishos will be reeling in metre cods left, right and centre! You'll need to be quick off the mark, this tournament will sell out.

Strathbogie Shire Mayor Amanda McClaren said it is fantastic to see such an exciting outdoor event coming to Nagambie.

"This is a fantastic opportunity for our shire and we encourage anyone interested to sign up because places are limited," Mayor McClaren explained.

"GoFish Nagambie will have a significant economic benefit for Nagambie and the region, with people from all over Australia and the world coming to enjoy our lakes and river district in this beautiful part of Victoria."
